Seven reels were found in the cellar of Arthur George, 118 Sussex street, Paterson, and five in the home of Norman Strutt, 129 Gould avenue. troubles you've had for years and takes you off crutches, there's nothing in the world too good to say about it, and that's what Dreco has done for me. and I certainly ought to be willing to testify to the truth and let everybody know about it."

This unusual statement was made by Mrs. C. Snyder, of 439 Liberty street Allentown, Pa.

Mrs. C. Snyder, of 422 Liberty street, Alientown, Pa.

"Yes," continued Mrs. Snyder, "I've been a cripple with rneumatism for a iong time, and for three years I've been using crutches and hadn't been able to do anything about the house for a good many years back. That's the plain fact, and my folks and all the neighbors know of my helpless condition, and will tell you the same thing any time you ask 'em."

"I would have severe pains in the hips and small of my back even when I wasn't trying to get about, and besides that, I was not in a very good general condition. It may have started because I couldn't get about and take exercise, but I lost my appetite and things didn't taste good nor agree with me after I had eaten. I was constipated a good deal, too.

"I saw where Dreco was helping a great many people, and I thought maybe it would make me feel a little better even if it failed to help my pains; but I am happy to say it has done 100 times more than I expected, for I have laid aside the old crutches and am now actually doing all my housework.

"I have taken five bottles and can walk anywhere I want to, without crutches, and my rheumatic pains have left me. My appetite is good and I can eat anything I want without its bothering me in the least, and I believe if I continue to take it awhile longer it will make me entirely well for good and all.

"I want everybods to know about this

it will make me entirely well for good and all.
"I want everybod to know about this great medicine, for it certainly is wonderful—my case ought to prove that to anybody. I want everybody that has such troubles to get it and stop wasting their money on quack medicines."

Dreco is now sold in all O'Donnell Drug Stores, also Bury's in Anacostia and Allen's in Alexandria,—Advt.
